

# BONOLO SELOWA

front-end developer

## About Me

I am a software developer and an HTML email developer. I enjoy playing soccer in my spare time and am passionate about raising the bar and exceeding expectations when it comes to building things for the web. I am constantly looking for opportunities to grow, whether it's freelance or full-time job.

## EXPERIENCE

### Stark-clone

20/04/2023-29/04/2023

What I learned:

- building responsive landing pages in HTML and CSS.
- Enhancing web page interactivity by integrating JavaScript
- Using grid instead of flexbox for more control over the layout

<https://cheerful-centaur-1c4825.netlify.app/>

### Bonsai-clone

05/05/2023-20/05/2023

What I learned:

- Connecting multiple front-end pages together and navigating between them.
- DOM manipulation.
